

OTTAWA 2022

CANADIAN MUSEUM OF NATURE

Be **AMAZED** and **INSPIRED** by Canada's nature!

Discover Canada's diverse nature under one roof when you visit our national museum of natural history and natural sciences.

The Museum is housed in a striking, historic "castle" in downtown Ottawa that once served as Canada's Parliament. Our modern, world-class galleries feature giant dinosaurs, iconic Canadian mammals, a complete blue whale skeleton, dazzling gems and minerals, Canadian birds, live insects and more!

Special exhibitions offer current insights into the natural world. See and learn about owls in the live exhibition *Owls Rendez-vous*.

Touch real ice and immerse yourself in Canada's Arctic in our spectacular **CANADA GOOSE ARCTIC GALLERY**—an Ontario Signature Experience.
